## G'day Gibbsters,

Shit. Got. Real.

Registrations are going gang busters and we're in for a bumper crop of Gibb Virgins and Gibb Veterans in next year's dusty (or muddy.....or windy.....or hot.....or hot/dusty/windy/muddy) peloton.

Early bird registrations have been snapped up by about 40 teams already, representing every state and territory in Australia.....and even an international team!

It's going to be epic - maybe our bestest best yet!

Only one (1) member of your team needs to register and pay to lock in your team's spot in the dusty peloton. Once your team's secure, the rest of your scaly mates can fill up the riding roster at their leisure.....well, kind of.

Watch out for the dastardly price hikes once the EARLY BIRD REGISTRATIONS close on the 31st December.

Registrations include all meals (breakfast, lunch & dinner), camping and wilderness park fees, plus a complimentary rider's jersey or supporter's tee. There's also a personalised race bib (not that it's a race), adventure passports with amazing prize offerings and support vehicle stickers.....plus the little matter of an extraordinary Kimberley adventure!

### **Bloody Heroic Cause**

The Kyle Andrews Foundation Inc was established as a legacy to a brave young Broome boy, Kyle Andrews, who lost his battle with cancer at the age of 11.

In early 1998 Kyle was undergoing treatment for leukaemia in Perth's Princess Margaret Hospital (PMH), when he had a dream to bring some of his young friends from Ward 3B to Cable Beach so that in his words; "They might feel better".

Thanks to the generosity of the people and businesses of Broome, "Kyle's Camp 98" was inaugurated. It was a stellar success with the kids, their families and carers enjoying a great time, living life big as Kyle had done before his fight with leukaemia; fishing, boating, swimming and utterly enjoying Broome's iconic Cable Beach and relaxed vibe.

Sadly Kyle passed away in July 1998.....not long after that first camp.

His memory burns bright however, through the annual *Kyle's Camp and Kyle's Walk, Kyle's Cottage* (Broome), *Gibb Retreat* (West Perth) and *Kyle's Getaway* (Busselton).

2024 Gibbsters will be encouraged and supported to raise **\$1000** each to benefit the Kyle Andrews Foundation. I reckon we can crack a half million buckeroonies that'll put the finishing touches to their incredible camp development in Busso's Holy Mile - *Kyle's Getaway*.

DAY 1: Derby to Imintji Campgrounds

*The Gibb Challenge* stumbled upon the warm hospitality of Imintji Community several years ago when a late wet season threw our planned overnight camp at Bell's Gorge into disarray.

We found ourselves camped in the forecourt of their community store, up driveways, on bush tracks, along fence lines, under the fuel storage tanks and just about every other spare inch of ground available!

Since then and under the steady stewardship of tall Texan John Bennett, the community have developed a purpose-built campground that not only serves as our perfect respite on DAY ONE, it provides the community with a valuable tourist asset that creates valuable skills and generational employment. It also allows Imintji Mob to showcase their vibrant Ngarinyin culture through art, dance, story telling and tours.

Imintji Campgrounds are dominated by the Wunaamin Miliwundi Ranges, forming a stunning backdrop, but also feature some welcome amenities like hot showers, fresh water and even flushing toilets.

We'll still set up a few of the 'Jimmy's Thunderboxes' so Gibb Virgins can appreciate the upgrades and Gibb Veterans can hone their rodeo skills.....

If you're wandering what the first day's ride entails - yeah you read that right on the topographical map. It's 228 kilometres on the first day! Small consolation that half that distance is bitumen.....right up until the hills start.

### **Major Sponsor**

The State Government is a proud sponsor of The Gibb Challenge through its Regional Events Scheme.

RES was established to support smaller and emerging events in regional Western Australia to boost tourism, increase community vibrancy and participation, and develop regional areas.

The scheme plays an important role in positioning Western Australia as an exciting destination to visit and a great place to live by showcasing and promoting the host region's unique and diverse attractions.

Sixty-eight regional events across WA have been funded through the 2023-24 Regional Events Scheme, which also includes the Regional Aboriginal Events Scheme, which contains a funding pool of \$150,000 exclusively allocated to events delivering Aboriginal activities and experiences.

We are pleased to sponsor all RES events, which help to revitalise regional economies and communities as we reconnect and welcome back visitors from around the world.

Tourism is a key part of the State Government's plan to energise the economy, create jobs and develop business opportunities, especially in regional Western Australia.

Events also play an important role in this plan, with the State Government sponsoring a range of sporting, cultural, arts and culinary events across Western Australia, through Tourism Western Australia, to attract visitors and encourage them to stay longer, disperse further and do more while they are here.

We hope everyone enjoys this event and takes the time to explore the Kimberley region.

## **Foundation Partners**

*The Gibb Challenge* has been extraordinarily fortunate to have enjoyed amazing community and local business support each and every year - right back in 2007 when we started this craziness. *Tropicool*, *Broome Cycles* and *Hertz Kimberley* have been there since the get go. While the owners and operators have changed hands - not so the commitment to *The Gibb Challenge*.

THANK YOU
